Subj. : COMPOUND SWIMMING POOL

Dear Residents,

It was brought to our attention by a concern residents that there are some young people was seen utilizing our swimming pool of not wearing the proper swimming attire and at the same time they are not our bona fide Al Jude residents.

Al Jude management welcome your visitors inside the compound but they are not allowed to utilize some of our recreational facilities like the swimming pools and the Fitness Room.

In line with this, Al Jude management is asking everyone to cooperate and support with our rules for maintaining our village's reputation as a nice compound.

Hoping your whole hearted understanding.

Thank you.
