Subj. : **KEEPING PETS IN RESIDENTIAL HOUSES:**

Dear Mr. Crellen,

As per Al Jude Village rules and regulations, occupants are not allowed to keep pets in their house inside the compound. Some exception are given on strict conditions. You were allowed to keep a dog on condition that you will keep it strictly inside your house and your backyard and never let it out whether on a leash or otherwise.

Now we received complaints from your fellow residents about your walking with the dog along the street and even running after a kid. This is not acceptable.

If you cannot abide this Al Jude regulations, we have no other option but to terminate your lease and you have to vacate the compound.

Please be guided accordingly.
